Re: Midget AAA Freedom of Movement

---

At the request of Great North Midget League Commissioner, Bob MacLean, the NOHA Board of Directors has discussed the request to allow for earlier freedom of movement at the Midget AAA level within the NOHA.

I am pleased to advised that the NOHA Board of Directors has supported the request of the teams to allow movement internal to the NOHA beginning immediately after the OHF Championships. The rules with respect to players leaving the NOHA to play in another OHF Member Partner remain the same.

Please note that where a player is not returning to their home association, or last registered team, we do ask that they continue to obtain a release; this is simply to ensure that the player does not owe any equipment or funds to the association or team.

We have provided an updated FAQ (Frequently Asked Questions) document for your review, which reflects the change to the timing of tryouts.

If you have any questions about the above information, please do not hesitate to contact the NOHA Office.

Yours truly,

John Jamieson
